

## Creation of IBM CLOUD SERVICES

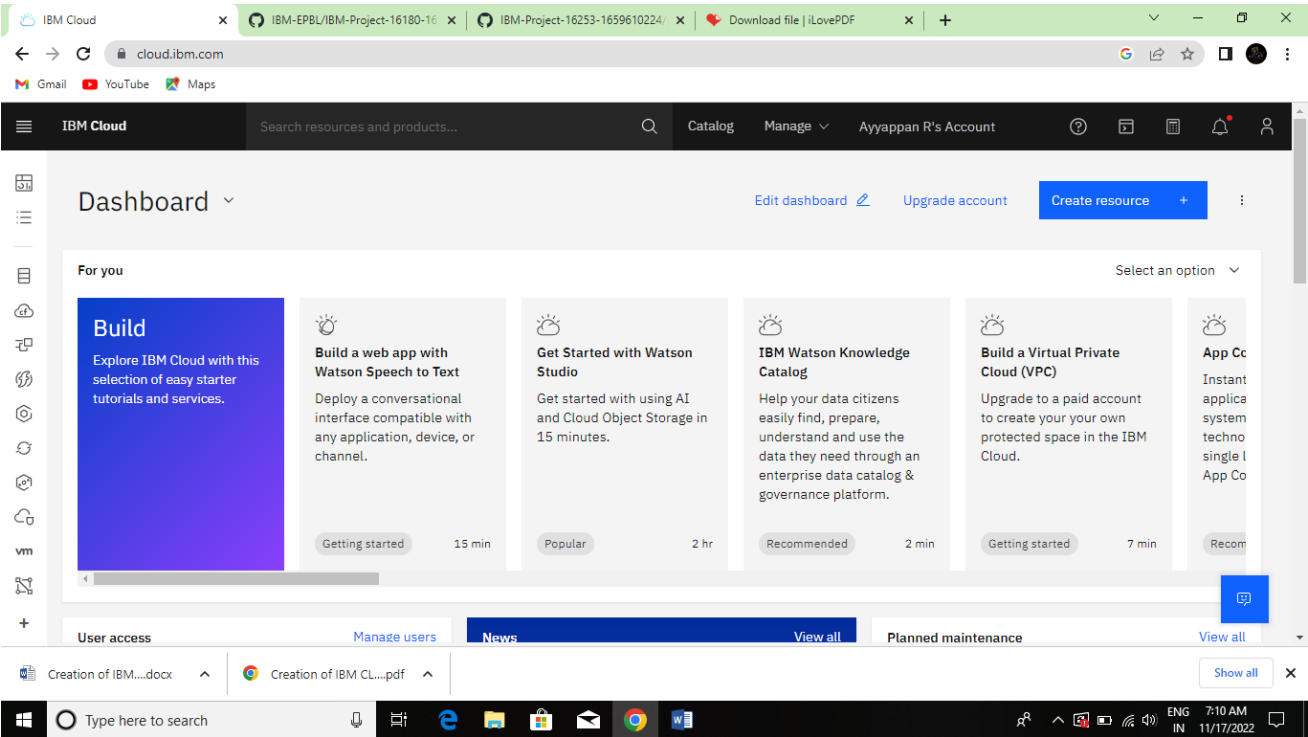

Team ID	PNT2022TMID17404
Project Name	Smart waste management system for metropolitan cities

Ajithkumar

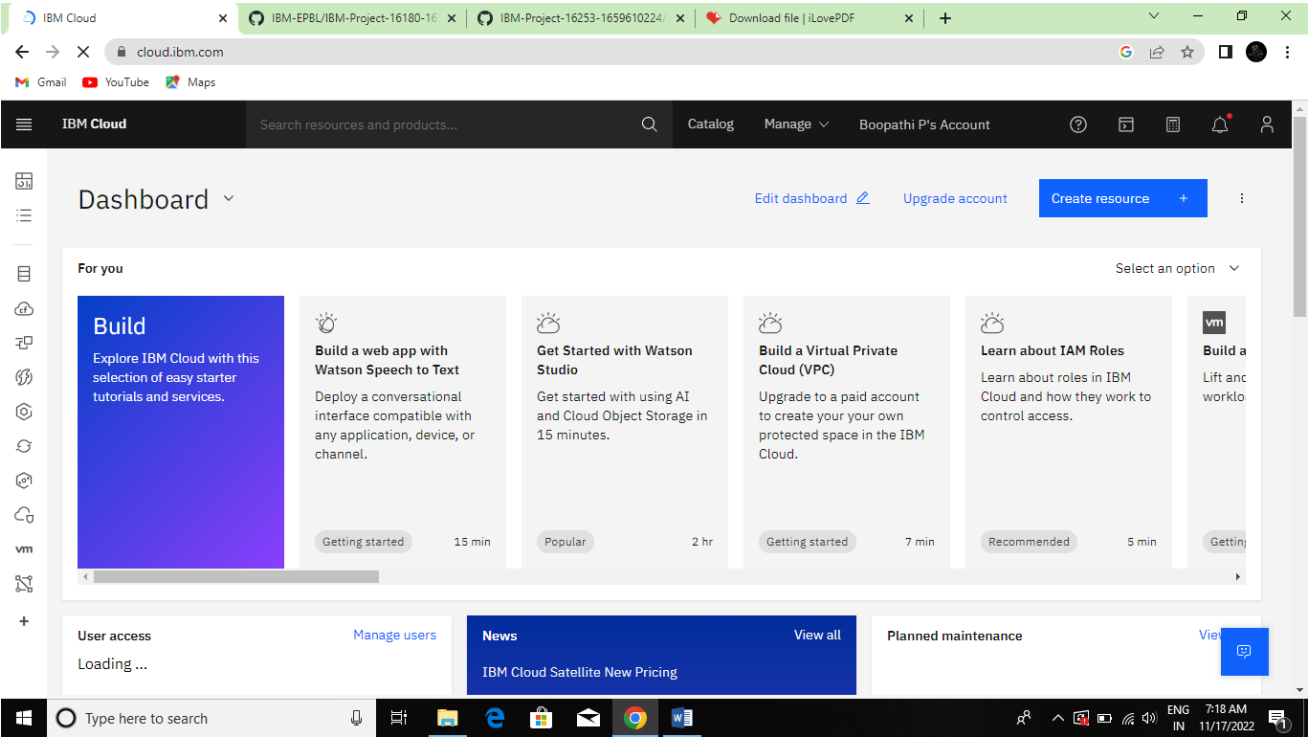

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Ajith Kumar's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with several recommended actions: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud), 'Learn about IAM Roles' (Learn about roles in IBM Cloud and how they work to control access), and 'Build a Lift and shift workload' (Lift and shift your workload to the cloud). Below the 'For you' section, there are three more sections: 'User access' (Manage users), 'IBM Cloud status' (View all), and 'Planned maintenance' (View all). The bottom of the image shows the Windows taskbar with the search bar and various application icons.
